LEARNING AND FUN IN ROOM 218

FEBRUARY 3-JANUARY 31ST

## DEAR 3JM PARENTS,

Thank you all for attending Parent Engagement Day on Tuesday. The students were very excited about sharing their stories with you. A great deal of thought, time, and energy goes into the writing process! You all were able to get a small taste of the hard work they put in everyday. I hope that you enjoyed the activity.

Next week in **Language Arts**, the students will begin a non-fiction unit. We will learning about the difference between fiction and non-fiction text. We will also begin on Informational Writing unit. Students are encouraged to bring in a book on a topic that is interesting or important to them by Monday.

In **Math** this week, we completed Unit 5 and took the Unit 5 test. I was very pleased with the scores. The students are learning a lot! Next week, we will begin our geometry unit. This includes learning about lines, rays, angles, and 2D shapes.

In **Social Studies**, students will continue learning about Dubai History. They students are very excited about the upcoming trip to the Dubai Museum.

UN Day was amazing. The students looked great in their national dress. They were all very happy and proud to represent their countries!

Have a wonderful weekend,

Mrs. Jilene Murray and Mrs. Lesley Clark
