

NEWS IN 3JM

LEARNING AND FUN IN ROOM 218

JANUARY 6TH - JANUARY 10TH

DEAR 3JM PARENTS,

Happy New Year and Welcome Back!

I hope you had a fun and restful holiday. I enjoyed spending time with family in Indiana, resting, and my favorite, eating great food! I am happy to be back and the students were too! They shared stories about their vacations! A special welcome to Santiago who joined the 3JM family today.

In Math, we will be starting Unit 5 on place value to the millions. We will also continue working on our multiplication tables. Students will be tested on their 4 and 5 times tables this week.

In Language Arts, students will continue drafting their realistic fiction stories. We will be focusing on revising leads to catch the readers attention.

In Social Studies, students will be working on their Dubai books with a page on the 7 Emirates and a Dubai Timeline.

Just a reminder about homework;

I sent home a packet for students to complete over the break.. This packet will be due by January 9th. I will also be adding more links to the website this week.

Have a wonderful week!

Mrs. Murray and Ms. Lesley
