

NEWS IN 3JM

LEARNING AND FUN IN ROOM 218

JANUARY 27TH-JANUARY 31ST

DEAR 3JM PARENTS,

We learned a lot of cool stuff in 3JM this week...

In Math, We practices decimals, focusing on tenths and hundredths. Students completed some awesome decimal artwork and were hard at work completing the unit. Attached you will find the Unit 5 review sheets. Be sure to review with your child at home. I will also post it on the classroom website. The end of unit test is on Wednesday January 31st.

In Language Arts, students continued revising and editing their writing. I was so proud to see how students helped each other out during peer editing times. This is truly a great bunch of kids! I cant wait for you to see their published pieced as well as, the long journey of the writing process that they went through to get to this stage. I am sure you will all be extremely proud of what you see!

In Social Studies, we focused on pearl diving. Students learned about the difficulties of the life of a pearl diver and we read a truly amazing (locally written) book called "The Pear Diver:" We will continue our work with this next week!

Have a wonderful weekend and see you all next week,
Mrs. Jilene Murray and Ms. Lesley Clark

SCHEDULE THIS WEEK

SUNDAY	DAY
ARABIC, IE, LIB	3
MONDAY	DAY
ART, MUSIC, IE	4
TUESDAY	DAY
