

WHAT'S THE NEWS IN 3JM

LEARNING AND FUN IN ROOM 218

SEPTEMBER 30TH-OCTOBER 4TH

DEAR 3JM PARENTS,

We are ending the month of September on a great note! The students have really taken to their class environment and have settled into our daily routine. Thank you for continuing to ensure your child is completing their work and double checking for common mistakes. Please continue to encourage them to do neat work!

In **math** this week, we finished up Unit 1 with discussions on money, patterns, and a review of data collection in graphs and tally charts. Students are ready to take their **first test on Monday, October 1st**. Please use the study guide and reference book. We will have a pretty in depth review on Sunday to make sure everyone is ready for their test. Keep in mind that concepts that are touched on in Unit 1 will continue to be spiraled through out the year.

In **writing** students were, again encouraged to zoom in on a particular moment and write about a small seed moment rather than a giant watermelon topic. The students are continuing to develop their writing skills by adding details and proofreading their work.

In **reading** students continued to work on making connections. We discussed text to text, text to world, and text to self connections. Have your child practice these skills at home. We will begin to visualize and respond to reading by learning to create mind movies.

In **social studies** students continued to discuss culture and diversity. We reviewed what we have learned and wrote our test on Thursday. Great job students!

Have a wonderful weekend :)

Mrs. Jilene Murray and Ms. Lesley

SPELLING LIST UNIT 4

L PROUD

2. BOIL
