NEWS IN 3JM

Learning and Fun in Room 218

November 18th-November 21st

Dear 3JM Parents,

Dear Parents,

What another wonderful, yet busy week in 3JM.   In Science, students continued to learn about food webs, food chains, and ecosystems. We made our own food chains. They are posted in the hallway outside of the classroom! Next week, we will concentrate on animal classification and animal traits. I will post information on the website this afternoon, in case you would like to view it over the long weekend.

In social studies, the students began working on their Dubai Book. They colored and labeled a map of the continents. They also labeled Dubai on the map and attached their photos. Students may bring the photo in on Sunday, if they did not bring it in this week.

In Math, we learned about area and perimeter. I have posted several resources on the classroom website to keep the learning going at home! Next week, we will discuss circumference and begin reviewing for the Unit 3 test.

In Language Arts, we continued our work with proper nouns and prepositions. We discussed "putting ourselves into the characters shoes" in order to understand the characters actions and feelings. In writers workshop, the students worked on developing their own character by thinking about what the character would look like, how they act, and the struggles they may have.

Have a wonderful weekend!

Mrs. Jilene Murray and Ms. Lesley

Schedule This Week

SUNDAY Enrichment, IE, PE	**DAY 8**
MONDAY Arabic, Music, Guidance	**DAY 9**
TUESDAY Arabic, IE, Enrichment, IT	**DAY 10**
WEDNESDAY Arabic, IE, Music	**DAY 1**
