

NEWS IN 3JM

LEARNING AND FUN IN ROOM 218

NOVEMBER 25TH-NOVEMBER 29TH

DEAR 3JM PARENTS,

Dear Parents,

Students had a remarkable week— Thank you to all parents for volunteering and contributing to our communal Grade 3 Thanksgiving Lunch. It was a real treat for the students. The kids gobbled up all the tasty food and it was an opportunity for the children to reflect on the meaning of giving thanks.

In **Language Arts**, students have been generating writing ideas for our unit on Realistic Fiction. They have imagined stories from ordinary moments and discussed story ideas they wished existed in the world. Some hot topics and themes for story writing: bullying, friendships, family, and moving.

In **Math**, students are wrapping up on unit 3. We will have our unit test this **Monday, November 26th**. Make sure students review all material (HL and SMJ) over the weekend. I have posted the Study Guide on the website, as well as fun games and activities for the students to review.

In **Science**, students have been learning about classifying animals which are grouped based on similar traits. The kids will write a paper about the traits inherited from their mom and dad. Please allow them to fill out the graphic organizer and attach a picture over the weekend. They should list the physical and behavioral traits they have inherited. It would be great to have this returned on Sunday!

On **Tuesday, November 27th**, DAA will celebrate UAE Day. Students can wear the colors of the UAE flag (red, green, white, black) or wear national dress.

Have a wonderful weekend,

Mrs. Jilene Murray and Ms. Lesley

SCHEDULE THIS WEEK

SUNDAY Enrichment, PE	DAY 2
MONDAY Arabic, Library, IE,	DAY 3
TUESDAY Arabic, IE, Music, Art	DAY 4
WEDNESDAY P/T Conferences	
THURSDAY P/T Conferences
