

Unit 3 Math Review

➤ **Ballpark estimates** to the nearest 10 (368=370; 72=70) and nearest 100 (654=700; 340=300)
Reference Book pages 190-193

➤ **Measuring line segments** to the nearest inch and $\frac{1}{2}$ inch

_____ =

_____ =

➤ Measuring line segments to the nearest cm and $\frac{1}{2}$ cm

_____ =

_____ =

➤ Find the **perimeter** of a rectangle

➤ Measure a shape (to the nearest cm) and find the perimeter

➤ Draw a rectangle with an **area** of _____ square centimeters

➤ Students should be able to convert the different units for both **metric** and **US Customary**:

STUDY : 1cm=10mm.....100cm = 1 m.....

1 yrd = 36 in= 3ft

Try this: 1) 2 yrd=____in=____ft; 2) 2ft=____in. 3) 4yrd= ____ft

All Measurement: Reference Book pages: 135-156

➤ Create a **line plot** using data from a tally chart. Study Student Reference Book pg. 77-80. Also know the following terms:

Maximum= is the largest number

Minimum= is the smallest number

Median= The middle number of a list of numbers

Range=The difference between the largest and smallest numbers

Reference Book pages: 76-80

Use your Home Links and Student Math Journal 1 for Unit 3 to help review for the test. Practice the examples from the Reference Book and ask me any questions if there is something you are still not sure of 😊

Good Luck 😊
